

Race Regulations - 12 hours knock-out race

1. Minimum age of competing in the race is 21 years old.
2. Equipment during the race: Helmet, Back protector, BIB and visible GPS/12 hours socket (the GPS socket will be given to each team by registration).
3. During the night race a front light (min 5.000 lumen) and a tail light (can be a bicycle light) is mandatory.
4. During the night race a transparent lens is advised. It is not mandatory.
5. Ski's to use during the race are free of choice. Our advice for during the day are Super G or Downhill ski's. And during the night Giant Slalom, Super G or Downhill ski's.
6. Ski's need to be marked with the team number (both ski's).
7. The starting numbers will be based on the amount of team sponsor money is collected.
8. The team with the highest amount of sponsor money will receive the "Golden BIB" and will start at number 1 and will be inviolable in the knock-out rounds.
9. At the start, we start with the lowest numbers first, there is a second between each start.
10. GPS Transponders can only be exchanged between racers in the special lane at the Kreuzboden lift station.
11. There is a special lane for racers at the entry at the Kreuzboden lift station
12. Racers are not permitted to skip the fence in order to get in the gondola last minute. By doing so, the lift servant places the skies in a later gondola. Therefore, no point in skipping the que.
13. Racer will exit his/her skies himself and hands them to the lift servants. They will place the skies in the gondola.
14. The racer will take his own skies out of the gondola when arriving at the top station Hoh-Saas
15. At night if an accident happens, orange lights will flash. Racers need to stop at the first re-grouping point they will see. If failed to do so, the penalty will be -1 round. Race marshals will tell, when the race can be resumed.
16. During the day if an accident happens, race marshals will wave with yellow flags. Racers need to stop at the first re-grouping point they will see. the penalty will be -1 round. Race marshals will tell, when the race can be resumed.
17. The re-grouping points are;
 - A Toplift (Hoh-Saas)
 - B Weissmiespiste
 - C Steilhang top
 - D Steilhang bottom
 - E Sandigernbodem
 - F Kreuzboden (gondel)
18. The Fastlane will open after the first knock-out round at 10.00 hours
19. The Fastlane will only be used for skiing in the race line. Braking will be dangerous and is not allowed.
20. Race control at Kreuzboden, will take the knocked-out teams out of the race.
